At Nichols College (In residency & optional commuter)

May 13-17, 2024

TRANSFORMING PUBLIC SAFETY LEADERS

More than just a training-this is a transformational leadership journey

Welcome to the New England Public Safety Leadership Academy at Nichols College. Team Training Associates has partnered with Nichols College to offer this unique and dynamic transformational leadership experience.

Our accredited, competency-based training is designed to inspire, enable, and transform *Operational, Strategic, and Executive Level* leaders through a comprehensive and engaging development process using cognitive, emotional, and behavioral teaching methodology. Our evidence-based training techniques are designed to guide your professional growth with practical, proven, and actionable strategies.

Once you commit to the journey, you will be challenged to become your best!

Earn 3 graduate or undergraduate credits toward your degree...just ask us how!

This *in residency* program at Nichols College is nestled into the beautiful, rolling hills of central Massachusetts along the Connecticut border. Located near Worcester (20 mins), Boston (1 hour), Providence (45 mins) and Hartford (55 mins), the campus is easily accessible throughout the New England region.

Campus facilities offer state of the art classrooms with plenty of space for an immersive, reflective, and professionally challenging learning experience. The dormitory accommodations provide simple and convenient lodging. Private rooms afford personal space to rest and reflect during downtime, and common areas allow shared space in which to socialize and further develop your professional network. We encourage you to do both!

Tuition/Enrollment Fee: \$1,695.00
(\$1,495.00 for commuter)

Space is limited. Be sure to reserve your seats early.
